

Job reference Slava:

Limone sul Garda, 10/9/2015

I recommend Slava as a candidate for any teaching position, especially for kitesurfing. I have worked with Slava in the period of 1,5 months at the Wind Riders kite center.

Slava has improved his motorboat driving and teaching from a boat skills, he has a high level of kitesurfing and is perfectly capable of doing demonstrations for student in any wind conditons and to impress them with some nice jumps. He has learned with us how to teach from a boat. And is now able to teach up to 2 students at the same time.

Slava attitude towards the students is professional, calm.

Slava speaks fluent English and has also teached a lesson in Russian (if I remember correct)

It is good to have Slava in a team, he takes his responsibiliBes and works hard. He is very capable of taking feedback and changing his behaviour if asked. He arrives in time, well dressed and ready to work every working day.

Please contact me if any further information is requested.
